The number of RSUs and underlying Shares is calculated with reference to the fixed monetary value of the RSUs (being USD60,000) which are proposed to be granted to each of Mr. Ye, Dr. Yin and Mr. Ren, as well as the closing price of the Shares on the date of this announcement (being the date on which the Proposed Re-Grant is proposed).

The RSUs to be granted to each of Mr. Ye, Dr. Yin and Mr. Ren shall vest in accordance with the vesting criteria, conditions and time schedule as determined by the Board in its sole and absolute discretion with reference to, among other things, the location at which each of Mr. Ye, Dr. Yin and Mr. Ren is based and the commencement date or duration of their employment.

The Company is a China-based, globally focused, clinical-stage biotechnology company engaged in developing novel therapies for cancers, CHB (Chronic hepatitis B), and age-related diseases. On October 28, 2019, the Company became listed on the Main Board of the Stock Exchange with the stock code: 6855. HK.

Reasons for and benefits of the proposed grant of RSUs to each of Mr. Ye, Dr. Yin and Mr. Ren

As disclosed in the Adoption Announcement, the purposes of the 2021 RSU Scheme are to (i) incentivize the existing and incoming directors, senior management and employees for their contributions to the Group; and (ii) attract, motivate and retain skilled and experienced personnel to strive for the future development and expansion of the Group by providing them with the opportunity to own equity interests in the Company.

As disclosed in the Circular, in light of the continuous expansion of the business scale and continuously rising requirements on regulated corporate governance of the Company over recent years and in order to attract and retain independent non-executive Directors to serve the Company, the proposed grant of RSUs to each of Mr. Ye, Dr. Yin and Mr. Ren is part of the adjustment to their remuneration package under their letters of appointment with the Company (as approved by the shareholders of the Company at the annual general meeting of the Company held on May 10, 2021) which has been determined with reference to, among other things, (a) their duties and responsibilities within the Company; (b) the prevailing market condition; (c) their individual performance and contributions; and (d) the overall performance of the Company.

Furthermore, the dilution effect of the proposed grant of RSUs to each of Mr. Ye, Dr. Yin and Mr. Ren to the interests of the existing public Shareholders is insignificant and there will not be substantial cash outflow by the Company under the proposed grant of RSUs to each of Mr. Ye, Dr. Yin and Mr. Ren.

The Directors consider that the proposed grant of RSUs to each of Mr. Ye, Dr. Yin and Mr. Ren is on normal commercial terms which are fair and reasonable and is in the interests of the Company and the Shareholders as a whole.
